#### E. <u>REPORTS</u>

1. General Manager

Page 1 of 5

- a) GM Report
  - COVID The Governor announced the COVID-19 State of Emergency will lift on February 28, 2023. At that time AB361 teleconferencing will sunset and AB2449 provisions will apply in addition to the default Brown Act guidelines.
  - Brier Lane In cooperation with Harper and Associates, the bid pack for rehabilitation of the Brier Lane half-million-gallon Water Storage Tank is nearing completion. It is planned that solicitations will be published in November, with contract award in January 2023, and work to begin in the summer.
  - City of Eureka Elk River Estuary Enhancement Project The work is nearly complete. The District rented temporary wastewater tanks and stockpiled repair materials in case of damage to its sewer force line traversing the area. These will remain in place until the project Is complete and the contractor has demobilized from the site.
  - Employee Appreciation Dinner Now that COVID restrictions have been mostly eliminated, the traditional employee appreciation dinner is set for January 20, 2023 at the Moose Lodge.
- 2. Engineering Department
  - a) Status Report
    - Hartman Sewer Lift Station (SLS) Reversal Engineering has begun the planning process to convert the station into gravity flow into the Martin Slough Interceptor. It is anticipated construction of the 900 ft. sewer main redirection will occur in FY23/24.
    - Doctor Office Lane Sewer Main Replacement Planning has started in order to replace 375 ft. of 6-inch clay sewer main with SDR-35 PVC sewer main during the summer of 2023.
- 3. Superintendent
  - a) September 2022 Operations/Maintenance Report

Staff continued station maintenance, providing customer service assistance, testing all stationary and portable generators, as well as servicing multiple Flygt sewer pumps. Filming included 927 ft. of sewer main line and 222 ft. sewer lateral line. A manual generator transfer switch was installed at Kluck Lane to enable more consistent water pressure during extended power outages, assisting other departments, and preparations for upcoming CIP.

DRAFT – MINUTES OF THE REGULAR MEETING OF THE BOARD OF DIRECTORS OF THE HUMBOLDT COMMUNITY SERVICES DISTRICT OCTOBER 25, 2022

- 4. Finance Department
  - b) September 2022 Budgetary Statement

Income is tracking within the budget. Analysis of water & sewer expenses are higher primarily due to the delays in the rate study which it is hoped will be complete by the first half of the year fiscal year. Electrical power is tracking higher than expected due to PG&E price increases and do not see any difficulties in absorbing it.

5. Director Reports

Director Gardiner requested staff redesign billing statements so they are more easily understood by all ratepayers and provide samples to the Board for review as an agendized item in the near future. Specifically suggested clarifying what "units" and "cons" represent or replacing it with "Gallons" or "Gallons Used".

Director Benzonelli attended the October 24 RREDC meeting. The main discussion included PG&E's capacity issues and inability to meet power demands to various communities through Southern Humboldt. A press release will be issued followed by a presentation to County Board of Supervisors on November 1st. Although the scenario does not directly affect HCSD, it will impact all community/county members.

#### F. PUBLIC PARTICIPATION

#### G. NEW BUSINESS

1. Consideration of Purchase of One (1) 2023 model Peterbilt 563 Single Axle Cab and Chassis with Western Construction 12-foot Dump Box from Coast Counties Truck and Equipment Co.

GM advised the District's participating membership with Sourcewell's national cooperative bidding process satisfies the competitive bid process. The District's 2010 Unit 10 Dump Truck requires replacement during FY 22/23 due to California Air Resources Board (CARB) mandates. Through Sourcewell's qualified vendors, staff secured an offer from Coast Counties Truck and Equipment at approximately \$23,000 less than budgeted.

Discussion clarified the only reason the vehicle requires replacement is due to CARB regulations (the current truck only has 30,000 miles), discussed potential resale options, and assurance the truck meets staff needs.

PUBLIC COMMENT: None

IT WAS THEN MOVED BY DIRECTOR GARDINER, SECONDED BY DIRECTOR MATTEOLI TO APPROVE THE PURCHASE OF ONE (1) 2023 MODEL PETERBILT 563 SINGLE AXLE CAB AND CHASSIS WITH WESTERN CONSTRUCTION 12-FOOT DUMP BOX FROM COAST COUNTIES TRUCK AND EQUIPMENT CO., NOT TO EXCEED \$180,000 AND AUTHORIZE THE GM TO EXECUTE THE PURCHASE DOCUMENTS.  Consideration of Adopting Resolution 2022-17 Authorizing the Sole Source Purchase of One (1) 2023 F550 Service Truck from Crown Ford of Redding, California

GM summarized the necessity to authorize a sole-source purchase for the replacement of Unit 4 due to the following extenuating circumstances: 1) CARB mandates require replacement during 2022, 2) The pandemic created numerous supply chain interruptions especially for large trucks, 3) Dodge has already closed fleet ordering for the 2023 model year, 4) Ford will begin accepting a limited number of 2023 orders on November 7 and have not yet released pricing due to significant cost fluctuations, 5) Staff determined a gasoline truck will better serve the District's needs in lieu of a diesel model in view of the above, 6) Chevrolet does not produce a gasoline model for this size of truck, 7) Crown Ford of Redding was the successful bidder for the past three full-size truck purchases. In addition to the foregoing, the projected cost is now approximately \$85,000 greater than anticipated with little possibility of lower costs in the future.

Discussion included clarifying the urgency to place an order for the truck to maintain compliance, the current Unit 4 is diesel thus the CARB requirement for a new vehicle, the cab and chassis have been changed out previously making it difficult to obtain replacement parts for the 20+ year-old crane and utility box, assurance the new vehicle will meet staff needs.

PUBLIC COMMENT: None

# AGENDA REPORT

For HCSD Board of Directors Regular Meeting of: November 8, 2022

- AGENDA ITEM: <u>C.3</u> (Consent Calendar)
- **TITLE:** Consideration of Resolution 2022-18 Making Findings Pursuant to Government Code Section 54953, as Amended by Assembly Bill 361, and Authorizing the Continued Use of Virtual Meetings

#### Recommendation:

Adopt Resolution 2022-18 by title only under Consent Calendar roll-call vote.

#### Summary:

The Governor's Executive Order N-08-21 provided modification to the Brown Act authorizing public teleconference meetings during the COVID-19 Emergency without the requirement of personal appearance. On September 16, 2021, Governor Newsom signed Assembly Bills (AB) 339 and 361 into law which was followed by Executive Order N-15-21 on September 20, 2021 stipulating the sunset of Executive Order N-08-21 as of September 30, 2021.

As presented at the October 12, 2021 regular meeting, and subsequently at each first meeting of the month, provisions of AB 361 officially modify the Brown Act to enable public agencies to move immediately to relaxed teleconference meetings under a declared state of emergency. Each month the March 20, 2020 state of emergency remains in effect, the Board is required to pass a resolution every thirty (30) days until lifted, affirming the following:

- 1. The Board has considered the circumstances of the state of emergency
- 2. Any of the following circumstances exist:
  - a. The state of emergency continues to directly impact the ability of the members to meet safely in person.
  - b. State or local officials continue to impose or recommend measures to promote social distancing.

Resolution 2022-18 before you, affirms the foregoing conditions allowing the District to proceed with virtual meetings for the next thirty (30) days while the current state of emergency remains in effect and/or the County's recommendations for social distancing remain in effect. In addition to the many restrictions that have been lifted, the Governor's office advised the existing state of emergency is scheduled to sunset February 28, 2023

#### Fiscal Impact: None

#### **RESOLUTION NO. 2022-18**

#### A RESOLUTION OF THE BOARD OF DIRECTORS OF THE HUMBOLDT COMMUNITY SERVICES DISTRICT MAKING FINDINGS PURSUANT TO GOVERNMENT CODE SECTION 54953, AS AMENDED BY ASSEMBLY BILL 361, AND AUTHORIZING THE CONTINUED USE OF VIRTUAL MEETINGS

**WHEREAS**, as a result of the COVID-19 pandemic, the Governor issued Executive Order Nos. N-08-21, N-25-20 and N-29-20, which suspended certain provisions of the Ralph M. Brown Act to allow legislative bodies to conduct public meetings without strict compliance with the teleconferencing provisions of the Brown Act;

**WHEREAS**, Assembly Bill 361, which was signed into law on September 20, 2021, amended Government Code section 54953, to provide relief from the teleconferencing provisions of the Brown Act under certain circumstances provided the legislative body makes certain findings;

**WHEREAS**, as a result of the COVID-19 pandemic, the Governor proclaimed a state of emergency on March 4, 2020, in accordance with the section 8625 of the California Emergency Services Act, and the state of emergency remains in effect;

**WHEREAS**, as a result of the COVID-19 pandemic, the Humboldt County Health Officer has imposed and has recommended measures to promote social distancing as more particularly set forth in his August 6, 2021, Order, among other prior orders and guidance;

**NOW, THEREFORE**, the Board of Directors does hereby find and resolve as follows: 1. That the Board has reconsidered the circumstances of the previously declared and existing state of emergency arising from the COVID-19 pandemic;

2. That the state of emergency continues to directly impact the ability of the members of the Board to meet safely in person, and further that local officials continue to impose or recommend measures to promote social distancing;

3. That the Board may continue to conduct public meetings in accordance with Government Code section 54953(e);

4. That the Board will reconsider the above findings within 30-days of this Resolution.

**PASSED AND ADOPTED** on the 8th day of November 2022 by the following vote:

## **MEMORANDUM**

TO: Board of Directors

FROM: Terrence Williams, General Manager

DATE: November 4, 2022

SUBJECT: General Manager Report for November 8, 2022 Board Meeting

#### Election

The Board meeting for which this report is written is scheduled for election day. Best of luck to all of the candidates, if you are reading this before 8pm on November 8, and you haven't yet done so, please get out and vote!

#### SCADA

The District's industrial automation system that is used to control pumps and tank levels, monitor flowrates and call District staff when something goes wrong is referred to as the SCADA system (Supervisory Control and Data Acquisition). As all of you know, I am working on designing and building a new SCADA system to replace the existing system that is over 30 years old and obsolete.

I recently attended technical training hosted by the manufacturer of the software and hardware that I selected for this project. The training was in depth and specific to the integration of the software and hardware that we will be using. The trainings covered work flow, communications protocols, data and cyber security, programming best practices, algorithm development, alarm redirection, data visualization, system architecture and other topics. The classes were attended by other engineers and professional SCADA integrators. I found the classes extremely beneficial especially considering that I will be able to train other District staff to perform some or all of the tasks.

While these classes focused on the integration of the specific hardware and software that I will be using, designing and building our new SCADA system requires extensive knowledge of industrial automation and of our unique water and wastewater systems. I am excited to say that I am making steady progress on the bench setup and I expect to be able to make a demonstration to the Board during a meeting in December. I also expect to be able to make a first deployment to the field in January or February (depending on equipment lead times). The first field deployment will most likely be Cummings Road tank and booster pair.

#### **Rate Study**

At the end of last week, I received an email from the consultant performing the District's rate study indicating that they finally have all of the information they need from the City of Eureka regarding District rates. They are currently finalizing the District's Draft Report. As soon as I have reviewed that report and believe it to be complete, I will share it with all of you for review and approval (or revision). Once you have approved the draft report, we will be able to move into the Proposition 218 process for rate setting.

# Engineering Memorandum

TO:	Board of Directors
FROM:	Benjamin Adams, Assistant Engineer
DATE:	November 4, 2022
SUBJECT:	Engineering Dept. Status Report for November 8, 2022 Board Meeting

#### Tower Dr. Steel Main Replacement Project Update

District forces are continuing to work on the Tower Drive steel main replacement project. 500 feet of new C900 plastic water main have been installed for the project, with approximately 60 feet remaining to be installed. After completing installation, the line will be flushed, disinfected, and bacteriologically and hydrostatically tested. After successful completion of the tests, existing services will be transferred to the new pipeline, and the old water main will be removed from service. This project should be completed before the end of the calendar year, provided there are no significant delays. Work on the office building façade will resume once the Tower Drive project is completed.

#### Water Storage Tank Inspections

The District's 0.5 MG Ridgewood water storage tank has been in service for over 12 months following the rehabilitation project in which structural repairs were made, and the interior and exterior surfaces of the tank were recoated. The 1-year warranty inspection was recently conducted and no items of particular concern were found during the inspection. The District will receive the 1-year warranty report in the coming weeks.

On the same day as the Ridgewood tank inspection, a pre-engineering inspection was performed at the 0.5 MG Donna Dr. Water Storage Tank. The Donna Dr. tank is a welded steel tank standing 24 feet tall, and 61 feet in diameter. The tank was constructed in 1988 and is scheduled for rehabilitation. Information gathered from this inspection will be used to develop design specifications for the rehabilitation project, which is scheduled for construction in the 24/25 fiscal year.

#### **Brier Lane Tank Rehabilitation**

A bid package has been developed for the Brier Lane water storage tank rehabilitation project and District staff will post the invitation to bid this month. The work is anticipated to be completed within approximately 100 calendar days, in the construction window between May 15<sup>th</sup> and September 29<sup>th</sup> 2023.

The Brier Lane tank works in parallel with the Dana Lane tank providing water to the Myrtletown, lower Pigeon Point, Mitchell Heights, and Freshwater areas. Distribution

HCSD Board of Directors Regular Meeting of November 8, 2022 Engineering Dept. Status Report Page **2** of **2** 

system redundancy means we do not need a temporary storage system in place to perform the construction portion of the Brier Lane tank rehabilitation project.

#### Work Within District Boundary

District Engineering staff have responded to 15 Humboldt County Building Permit Referrals, and 386 Underground Service Alerts (USA) since last reported at the Board Meeting on September 13<sup>th</sup>. These numbers appear to indicate that we have passed the peak of the active construction season. As always, responsible homeowners and contractors call 811 to initiate a USA ticket for any excavation work within their property or work area.

# Humboldt Community Services District

Dedicated to providing high quality, cost effective water and sewer service for our customers

# AGENDA REPORT

For HCSD Board of Directors Regular Meeting of: November 8, 2022

AGENDA ITEM: <u>G.1</u> (New Business)

**TITLE:** Review Diversity, Equity, Inclusion Training (DEI) Options

PRESENTED BY: Terrence Williams, General Manager

#### **Recommendation:**

Discuss viability of the types of training available and direct the General Manager to implement the agreed upon selection.

#### Summary:

At the September 13, 2022 regular meeting, Director Hansen requested a DEI program be established for all staff and board members. The matter was heard at the September 27, 2022 meeting resulting in full Board consensus to direct the GM to investigate various DEI options.

Staff has identified several DEI training sources revealing a wide scale of frequency, intensity, and associated expense. It should be noted that staff have received Workplace Diversity training as well as biannual SB1343 state mandated Harassment training both of which include basic concepts of DEI. Additionally, Directors and Management/ Supervisors receive biannual 2-hour state mandated ethics (AB1234) and harassment training (AB1825) that also target many of the same behavior ideals.

- Leading to Team (formerly Group to Team) Founder Freeman Michaels first came to the District in 2019 wherein the focus was to enhance Board communication. The attached offer proposes an initial intake survey, 4-6 key leader interviews, an inperson day of training providing a three-to-four-hour session for staff in the morning and a three-to-four-hour session in the afternoon for Managers and the Board, followed by two integration webinars and four follow-up coaching calls with key leaders, reports and assessments. This process is offered at \$13,750 plus travelling and hotel accommodations for the two trainers. Travel accommodations are expected to cost an additional \$2,250 for a total estimated cost of \$16,000.
- 2. CPS HR Consulting is a Joint Powers Authority that serves only public sector agencies. There are seven 2-hour classes provided by CPS, and each session can be delivered in person or remotely as detailed in the attached proposal. CPS

HCSD Board Meeting of November 8, 2022 Agenda Report G.1 Page 2 of 2

recommends beginning with one of two courses: Introduction to Cultural Intelligence or Understanding Implicit Bias Through the Lens of Cultural Intelligence. An inperson full day consisting of two two-hour sessions for staff and one two-hour session for the Board is offered at \$4,000 for the day. Two-hour remote (teleconference) sessions are offered at \$940 per session. The cost for all seven sessions ranges from \$19,740 for solely remote delivery to \$28,000 for all live sessions.

- Vector (Target) Solutions four on-line only training sessions. ACWA/JPIA offers the classes without charge to member agencies. One session is geared to all, one to employees, and two for management: 1) Workplace Diversity (33 minutes), 2) Equity and Inclusion Skills for Employees (37 minutes), 3) Equal Employment Opportunity and Diversity for Managers (60 minutes), 4) Diversity, Equity and Inclusion Skills for Managers (69 minutes).
- ACWA/JPIA without additional fee through the JPIA training portal, the following online classes are available: 1) Diversity and Inclusion: A Step-by-Step Guide for Employees (20 minutes) \*, 2) Diversity, Equity, and Inclusion Training for Employees (.75 hours), 3) Judging Talent (common bias) (1 hour). Additionally, the JPIA Lending Library has the following DVD format "tailgate" sessions: 1) Drop by Drop – Unconscious Bias (17 minutes), 2) Unconscious Bias (19 minutes), 3) Harassment & Diversity – Respecting Differences (16 minutes).
  - \* A Step-by-Step Guide for Employees is currently part of staff onboarding

For the Board's further information, staff reached out to Humboldt Area Foundation and was informed they do not conduct such trainings but offered to pass the District's inquiry to local sources asking that they contact HCSD if they were in a position to assist. To date staff has not received any response. Costs listed are out of pocket costs to the District and do not include overhead items like staff time and Board member stipends where applicable.

# Integrated DEIB: A Culture of TEAM Initiative @ Humboldt Community Services District

October 24, 2022

Leading to TEAM (LTT) is pleased to submit this proposal to the Humboldt Community Services District Board of Directors for consideration. Diversity, Equity, Inclusion and Belonging (DEIB) is a significant piece of our "culture of TEAM" work at LTT. We are very pleased and grateful that Humboldt Community Services District (HCSD) is interested in working on DEIB, with us as facilitators. This proposal is a starting point to develop the most effective program to meet the needs of HCSD.

#### **Core Outcomes:**

- Create safe and supportive environment at HCSD
- Create environment and culture to attract and retain diverse talent at HCSD
- Explore best practices for DEIB by first focusing on the internal culture/environment at HCSD
- Train a leadership model consistent with DEIB principles and practices
- Train entire staff on social sensitivity as it relates to day-to-day communication and in direct relationship to a diverse staff and community

#### General Approach:

The vast majority of DEIB initiatives fail to integrate into the culture of organizations simply because the culture is not conducive to diversity, equity, inclusion and belonging.

There is important work to be done in most organizations around uncovering bias, understanding micro-aggressions, noticing and correcting underrepresentation and much, much, more. Many organizations may want to just check the box and pretend to do DEIB work because their organizational cultural is rooted in hierarchy, which is not conducive to DEIB.

At LTT, we believe that the best way to effectively address DEIB in an organization's culture is by developing a TEAM orientation. Great TEAMs have practices in place that draw out the ideas and the contribution of everyone on the team; the more diverse the team is the greater the possibilities and potential. Equity is shared ownership, which is fundamental to operating as a TEAM. Inclusion and belonging are inherent in TEAM.

There are two factors that lead to substantive change within an organization. The first is that the approach must reflect a systemic understanding and philosophical shift. The second is that the awareness must be expressed in standards and practices that are integrated into operations or any progress made will not be sustainable. The operating system that we promote must clearly outperform the previous processes and procedures or people will eventual revert back to the old system.

Dismantling hierarchy and reframing leadership and leadership structures is fundamental to the "culture of TEAM" work that we do at Leading to Team. Just to be clear, this doesn't mean that we eliminate managers or any structures of accountability – leadership and levels of accountability are more important than ever. We need managers who are great TEAM leaders and coordinate the energy and effort of their people to produce a superior result. Diversity is honored as a key ingredient of innovation and outstanding performance. Accountability and ownership, at every level within the organization, promotes equity. Inclusion and belonging are in the definition of TEAM.

DEIB is typically offered as a separate training or learning program that participants are left to apply to their specific day-to-day operations. At Leading to TEAM, we integrate DEIB as a process of working on issues related to day-to-day operations with a DEIB application woven into practical functions.

How DEIB fits the culture at HCSD actually becomes a process of discovery rather than something that is imposed. Diversity is the hallmark of great TEAMS – moreover, inclusion and honoring of differences represent fundamental principles of the Leading to TEAM process. The co-creative nature of our work is what generates a diverse and inclusive culture.

#### Scope of Work:

- Intake survey
- Key leader interviews (4-6 interviews)
- Two (2) ½ Day (3-4 hours), In-Person, trainings offered on the same day
  - $\circ \quad \text{Staff Session in the Morning} \\$
  - Managers and Board Members in the Afternoon
- Integration Webinar(s) to support the learning and integration of materials
- Reports and assessments

# **STAFF, BOARD & MANAGMENT TEAM TRAINING**

Here are the components included in the *Integrated DEIB: A Culture of TEAM* program:

### **1 - INTAKE SURVEY & INTERVIEWS**

The process starts with a customized, online, intake survey. This survey will be sent to each participant to be completed two to three weeks prior to the training. Additionally, a member of our team will reach out and interview the five board members and the GM prior to the training.

#### 2 – HALF DAY IN-PERSON TRAINING FOR STAFF

Staff will attend a half-day training, in the morning. This training will be co-facilitated by Glodean Champion & Freeman Michaels.

#### 3 – HALF DAY IN-PERSON TRAINING FOR MANGERS AND BOARD

Board members and managers will attend a half-day training in the afternoon. This training will be co-facilitated by Glodean Champion & Freeman Michaels.

#### 4 – INTEGRATION WEBINARS

After the in-person training, we offer a series of "integration" webinars, conference calls, pre-recorded videos and/or coaching calls to support the integration of the principles and practices into the day-to-day operations of the TEAM.

This unique integration process is a key part of our effectiveness. Most trainings fail to properly "follow up", to ensure that the material is enacted by the team.

#### 5 - KEY LEADERSHIP COACHING

In order to further support the integration of the Group to TEAM content, we will provide several coaching calls to key leaders at HCSD. Glodean and Freeman are both executive coaches, who utilize coaching to support the Leading to TEAM process.

# LEADING TO TEAM FEE INVESTMENT

The cost for this program, delivered via two (2) half-day trainings on the same day, with an intake process, up to two (2) integration webinars and up to four (4) follow-up coaching calls with key leaders is \$13,750 plus expenses\*.

\*Expenses include economy air travel, ground transportation and hotel accommodations in the area of the training.

# LEAD FACILITATORS

#### GLODEAN CHAMPION

Glodean Champion is a top executive coach, educator, and facilitator who draws on her extensive background in education, communication, leadership, and process improvement to strengthen teams and organizations. Glodean trains and speaks regularly on issues relating to diversity and inclusion using her novel, *Salmon Croquettes*, as a teaching tool. She is exceptionally engaging, funny, and passionate. We suspect this is because she pulls from her upbringing and the influence of her mother — the first authentic leader she ever met – to create stories that connect with her audiences. She approaches delicate subjects with honesty, authenticity, and vulnerability and considers herself a master at challenging and captivating audiences of all kinds in a way that forces them to take pause and become introspective, something we need more of if we want to make the world a better place.

Glodean has a BA in English Literature from Mills College. She is a Six Sigma Black Belt (SSBB), Project Management Professional (PMP), with an MFA in Writing from California College of the Arts and over 30-year's business experience and 10+ years as an adjunct professor and group facilitator.

## FREEMAN MICHAELS

Freeman is a powerful, action-oriented, business coach who founded Leading to TEAM with the intention of shifting corporate culture toward TEAM. Freeman was himself a one-time business owner, managing dozens of people to achieve a common goal. Now, Freeman combines his real-life business experience, with decades of dedication to personal growth, leadership and transformation, to help companies transform the way they do business. Freeman firmly believes that when TEAM becomes a cultural value, then engagement, productivity and creativity fuel extraordinary results.

Freeman holds a BA from Santa Clara University, an MA in Psychology from the University of Santa Monica. He is a graduate of the MDE program at UCLA Anderson School of Business. He holds many other certificates in leadership and person development. His biggest accomplishment is as a husband and father of three amazing grown children. **Payment Information:** Make payment to Leading To TEAM.

Client will make payment via check or direct deposit for 50% within 30 days of signing this agreement, to Leading To TEAM. The balance will be paid within 30 days after the in-person training. Please email a PDF of the singed agreement back to Freeman@LeadingToTeam.com

It is the intention of both parties to do what is needed to create a successful program that has the desired impact.

This constitutes the entire agreement between the parties.

# Diversity, Equity and Inclusion Training Proposal

October 25, 2022

#### About CPS HR Consulting

CPS HR Consulting (CPS HR) has been providing consultation, facilitation, and training on diversity, equity, and inclusion (DEI) in various forms for over seven years. These services assist public sector organizations assess and determine the appropriate level of DEI policies, practices, and activities to meet organizational and cultural goals. This work is especially important given today's environment.

CPS HR occupies a unique position in the field of government consulting; we are a Joint Powers Authority (JPA), whose charter mandates that we serve only public sector clients. This singular position provides CPS HR with a systemic and extensive understanding of how each government sector is inter-connected to each other and to its community. That understanding, combined with our knowledge of public and private sector best practices, translates into meaningful and practical solutions for our clients' operational and business needs.

#### Background

Humboldt CSD is interested in providing diversity, equity and inclusion (DEI) training in-person for the District staff and Board. There are 20-staff and 5-Board members who would participate in the training.

#### **Proposed Scope**

The conversations around ethnic diversity, equity and inclusion have become more comprehensive and multidimensional in the 21st Century. Considering the most recent events occurring around the United States and reverberating around the world, this topic is more relevant now than ever before. High performing organizations in both the public and private sector are actively embracing an employee engagement strategy, which directly navigates through these "challenging waters" for the express purpose of creating meaningful connections among employees to promote diversity, inclusion, and equity.

Page 1 of 5

#### Cultural Intelligence Series

In this series of seven (7) workshops, participants will learn how to successfully create "safe spaces" in which conversations about race, social justice, and equity. Participants will learn the critical distinctions between "acknowledgement" and "agreement" in creating these optimum work and learning environments. These sessions will highlight high performing organizations who have successfully adopted cultural intelligence staff development tools to operationalize diversity and inclusion strategies.

Each session is **2-hours** in length. Sessions can be delivered in-person or virtually using the Zoom platform.

CPS HR recommends that the District begin with one of two courses to provide a solid foundation and develop common understanding within the district.

**Scheduling and Logistics.** For in-person, onsite training, CPS recommends three two-hour sessions in a single day with a morning and an afternoon session for staff, and a separate session for the Board (perhaps during a regularly scheduled Board meeting).

Other sessions from the Cultural Intelligence could be scheduled at a later date to reinforce and build on the concepts from the first class. Descriptions for the other courses in the series are at the end of the proposal.

#### **Course Descriptions**

#### Introduction to Cultural Intelligence

Cultural intelligence or cultural quotient (CQ) is having the capacity to relate and work effectively with different groups of people and across cultures (including Big-C "Culture" and little-c "culture"). Cultural intelligence articulates core competencies and skill sets that allows organizations the ability to cultivate and develop effective DEI tools for its team members and leaders. Cultural intelligence goes beyond cultural awareness and political correctness. This session examines the various elements of cultural intelligence and how to operationalize it in an organization.

#### Understanding Implicit Bias Through the Lens of Cultural Intelligence

All human beings operate with varying degrees of implicit bias. Implicit bias are unintended people preferences which can adversely impact the effective operations of any organization. This session explores the various types of implicit bias, micro-behaviors, and the proper ways to address and resolve issues that arise from this mindset.

## Introduction to Cultural Intelligence Series

#### Session 1: Introduction to Cultural Intelligence

Cultural intelligence or cultural quotient (CQ) is having the capacity to relate and work effectively with different groups of people and across cultures (including Big-C "Culture" and little-c "culture"). Cultural intelligence articulates core competencies and skill sets that allows organizations the ability to cultivate and develop effective DEI tools for its team members and leaders. Cultural intelligence goes beyond cultural awareness and political correctness. This module will examine the various elements of cultural intelligence and how to operationalize it in an organization.

#### Session 2: Developing Language of Cultural Intelligence – Building a Living Glossary

Understanding diversity, equity, and inclusion in the post-2020 world requires a new language to effectively communicates through the lens of cultural intelligence. This language reflects a judgment-free perspective that serves to bring different groups of people together through a common understanding and appreciation of the lived experience of others. This module will educate the participants on the common language of DEI to create a common understanding and common divergent groups of people within an organization.

#### Session 3: Understanding Implicit Bias Through the Lens of Cultural Intelligence

All human beings operate with varying degrees of implicit bias. Implicit bias are unintended people preferences which can adversely impact the effective operations of any organization. This module will explore the various types of implicit bias, micro-behaviors, and the proper ways to address and resolve issues that arise from this mindset.

#### Session 4: How to Create Sustainable Change

High performing organizations are not only focusing of the diversity of its workforce, but also on how that workforce reflects a culture of equity and inclusion. Inclusion addresses how well the organization shares power, access, and resources with all elements of the workforce, particularly those elements which represent marginalized and/or underrepresented groups of the organization. This module will discuss effective ways in which organizations may become more inclusive through operationalizing DEI into every business unit of the organization.

#### Session 5: Managing Conflict through the Lens of Equity

When organizations commence the DEI journey of transformation, there will be conflict to break through the barriers to creating an inclusive organization. This module supports people and organizations in managing expectations for success and provides tools and resources for navigating conflict within individuals, groups of people and organizations

#### Session 6: Mastering the Art of Crucial Conversations

It is essential to learn how to have hard conversations that address the current environment of

Page 4 of 5

social justice and racial equity. We will explore topics like cultural intelligence, acknowledgement vs. agreement, Black Lives Matter vs. All Lives Matter, how to be an ally, and the best way to address employees. This module will share practical and timely guidance on how to engage employees around the complex and passionate issues related to systemic racism, the need for transparency and accountability in police practices, and the need for civil discourse.

#### Session 7: It's a Marathon – Not a Sprint – DEI Panel

This module will bring together a panel of subject matter experts to share practical experiences about the journey of organizational transformation. The panel members will share successes, setbacks, and other experiences they've encountered on the DEI journey. Participants will have an opportunity to connect with these experts to gain practical wisdom on the keys to implementing a successful DEI program

microinequities refer to tiny, subtle digs, innocent comments, and throwaway remarks that seem inconsequential, but slowly kill morale and hurt productivity. Alert employees to the unexamined prejudices behind these microinequities with Drop by Drop: Unconscious Bias. The program brings to light unconscious biases—the stereotypes that affect our understanding and treatment of the people around us. It shows how disrespect can lurk behind "innocent" remarks, and helps employees create a culture of respect. Drop by Drop: Unconscious Bias helps employees: Understand how biases work and affect behavior Recognize–and avoid–hurtful biases and stereotypes Identify examples of microinequities Speak with more tact and respect

#### Harassment & Diversity: Respecting Differences

This workplace diversity training course revolves around a dramatic story showing an all-too-common situation where diverse cultural backgrounds test employees' interpersonal skills. Conflict starts as "just kidding around" and grows into illegal harassment. Our narrators, Littler Mendelson employment law attorneys Bruce Sarchet and Kevin O'Neill, provide their expertise and legal perspective. Employees will learn: Appropriate behaviors that will help maintain a harassment-free workplace. When "joking around" crosses the line and becomes workplace harassment. It's not the intent that matters, but how the behavior is perceived by the recipient that counts. Why the employer's workplace harassment prevention policy must be taken seriously. What to do when someone is the target of harassment.
